Re: Fiscal Year 2017 Low Income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP) aka Drive a Clean Machine (DACM)

The Texas Commission on Environmental Quality (TCEQ) is wanting to know whether or not Collin County plans on participating in the LIRAP Program in fiscal year 2017. Funds in the amount of \$2,661,606 have been allocated for the DACM program and \$295,474 for the Local Initiative Projects (LIP) program this fiscal year. (Letter Attached)

If Collin County chooses to remain in the program, a request for funds letter needs to be sent to TCEQ.

Commissioners Court's direction in this matter is requested and we will be available to answer any questions you might have.
