**Re:** Image Network Attached Storage RFP Award

---

The Information Technology department would like to respectfully request Commissioner Court approval for the advertisement of the Image Network Attached Storage RFP. The request is to advertise for an Image Network Attached Storage solution which will serve as the primary storage location for images within Collin County and be compatible with the existing Image Archive solution.

This is a funded project within the existing FY2016 IT budget under Project Code O06102 and Account Code 001-0619-414-90.50.
