Re: Branch VFD Inter-Local Recycling Agreement

Public Works requests Commissioners Court's consideration and approval to continue the ILA with the Branch Volunteer Fire Department pertaining to the recycling program. The term of this ILA will encompass fiscal year 2017 which is October 1, 2016 through September 30, 2017.

There are three compartmentalized recycling containers located at the northwest corner of FM 546 and FM 982 which are monitored by the Branch Volunteer FD. These containers benefit the community by offering the area residents a convenient way to recycle eligible materials and reduce the incidence of illegal dumping.
