RE: Vehicle Swap

Major,

The unit I am driving, 55144, is nearing the end of its service life and is not practical for Special Operations use. Currently there is a viable replacement unit at the service center, unit 51939. This was recently removed from service, low mileage, and is better suited for Spec Ops use. I would like to replace unit 55144 with 51939.

No additional cost would be incurred by the County as a result of this swap.

Respectfully,

Sgt. Andrew Hatch
