Active Contracts & Payment Types

1. Do you currently have other active contracts with DFPS or any other entity either within or outside of Texas [Federal, State (ISD, University), County, or Private Business]?
- Yes No

If yes, please provide the entity name, contract number(s), and indicate which of the following payment types is utilized for the contract:

Fixed Price	Fixed price is a deliverables-based payment type for a contract with a firm agreed-upon price for the delivery of goods and services.
Cost Reimbursement	Payment type that reimburses contractors for actual, allowable, reasonable, and necessary expenditures incurred up to an approved amount and within the associated cost categories in the approved budget and budget narrative.
Fee For Service	Contractor is paid a standard fee per unit of service. Typically, rates are either negotiated with the individual vendor and apply only to that vendor or there is a uniform rate that is paid to all vendors providing the service. This rate-based payment type is used when an independent rate setting process does not exist for the contracted service.
Rate-Set Payments	Contractor is paid a set rate per unit of service. A rate setting process where the rate is approved by the Health and Human Services Commission (HHSC) or another agency with rate setting authority. The resulting rate is applied to the purchase of specifically defined units of service.
Blended Foster Care Rate	The blended foster care rate is the HHSC-developed rate equal to the weighted average rate across all placement types that DFPS pays under a Single Source Continuum Contract for each day of service provided to a child or youth in paid foster care.
Blended Foster Care Case Rate	The blended foster care case rate is the rate paid under a Single Source Continuum Contract for each day of service provided to each child or youth as measured against an established length of stay baseline formulated by HHSC for each defined age category or "strata" of children/youth.
Exceptional Foster Care Rate	An exceptional foster care rate applies to a limited number of situations and/or days under a Single Source Continuum Contract where a child requires extraordinary care.
Day (24 hour)	Usually for residential services. This is the rate paid to the provider for each 24-hour period that a DFPS client is in a provider's care.
Other	Any other payment type not defined above.
