Re: Indigent Defense expenditure update

This is to make you aware that a budget amendment for indigent defense will be requested when closing the books on FY2016 that I estimate will be around \$1.5 million to \$2 million. Attached are the quarterly indigent defense updates through the third quarter. Also attached is an additional chart comparing FY2016 expenditures to the previous 4 years. The fourth quarter reports will be made available to you as soon as they are available.
