Brief Description
Secured Communications, LLC announced the availability of private grant funds to pay for a limited number of eligible law enforcement agencies to receive access to its encrypted voice, text video and file sharing communications system. The grant program is intended to assist agencies with protecting non-radio communications from interception vulnerabilities associated with mobile phone and tablet communications. This grant program will pay for one year of service. The value of the grant is \$30/user license/month. While funds remain, the grant will cover as many user licenses as requested by the agency, paid for a full year.
