Re: Engineering Services Agreement with Brown & Gay Engineers, Inc. for Schematic Design of the Collin County Outer Loop from U.S. Highway 75 West to F.M. Highway 2478 (Custer Road)

The Engineering Department requests authorization to enter into an Engineering Services Agreement with Brown & Gay Engineers, Inc. for schematic design of the Collin County Outer Loop from U.S. Highway 75 west to F.M. Highway 2478 (Custer Road).

Their scope and fee include development of schematic plans for the future main lanes and service roads, including the location of on-off ramps, configuration of roadway intersections, cross streets etc. In addition, a final alignment and right-of-way documents will be developed for this section allowing us to proceed with parcel acquisition as funding becomes available.

Their proposed fee for these services is \$1,555,935.20. If accepted, approval of the following budget amendment from project code OL003 (project completed) into a new project code for this schematic is requested:

The following budget adjustment totals \$1,555,936:

From: OL003 (Outer loop US75 - 121)	To: (new) OLSCH2 (US75 to FM2478)
599-7730-680-9682 / \$1,094,517	599-7730-680-9250 / \$1,094,517
599-7730-680-9250 / \$ 125,641	599-7730-680-9250 / \$ 125,641
599-7730-680-9261 / \$ 308,000	599-7730-680-9250 / \$ 308,000
599-7730-680-9280 / \$ 1,010	599-7730-680-9250 / \$ 1,010
599-7730-680-9281 / \$ 12,244	599-7730-680-9250 / \$ 12,244
599-7730-680-9283 / \$ 14,524	599-7730-680-9250 / \$ 14,524

The proposed scope, fee, project schedule and a location map are attached for your review and we will be available to answer any questions you might have regarding this project.
