format as provided by DSHS, and shall be completed and submitted to DSHS within fifteen (15) calendar days after the end of each month; and

2. Monthly Incentive Funding Summary Report by the 15th day of the following month.
3. Grantee shall submit quarterly FSRs to DSHS Contract Development and Support Branch at WicVouchers@dshs.state.tx.us by the last business day of the month following the end of each quarter of the Contract Statement of Work term for Department review and financial assessment.

IV. BILLING INSTRUCTIONS AND PAYMENT

Grantee shall request payment using the State of Texas Purchase Voucher (Form B-13) and Financial Status Reports (FSR) and submit by electronic mail to DSHS Contract Development and Support Branch at WicVouchers@dshs.state.tx.us. Grantee shall indicate separately on the face of the claim for reimbursement (State of Texas Purchase Voucher, Form B-13) the costs associated with nutrition education, breast-feeding, and other administrative costs.

All payments made by DSHS to Grantee under this Contract will be reimbursements subject to the following requirements, conditions and stipulations:

All categories of costs billed to DSHS WIC Program, and allocation of such costs, shall be in accordance with the “Plan to Allocate Direct Costs” (PADC) submitted by Grantee and approved by the DSHS WIC Program. This document is incorporated by reference and detailed in ATTACHMENT E – NON-EXCLUSIVE LIST OF APPLICABLE LAWS.

DSHS will reimburse Grantee for administrative costs incurred when determining eligibility, providing appropriate nutrition education and counseling, issuing WIC EBT cards, making participant referrals, vendor evaluation, outreach, start-up costs and general administrative support.

Administrative costs will be reimbursed based on actual costs, but not to exceed the “maximum reimbursement” based upon the sum of the participants who actually receive WIC EBT cards each month plus infants who do not receive any WIC EBT cards whose breastfeeding mothers were participants to the extent that the total so derived does not exceed Grantee’s total assigned caseload within any given month. Surplus funds (the amount by which maximum reimbursements exceed actual costs) can be accumulated and carried forward within the Statement of Work term.

The participant caseload will be assigned by DSHS by giving written notice to Grantee. The participant caseload is subject to change upon written notice to Grantee from DSHS with Grantee’s concurrence. Grantee assumes liability for all food costs resulting from Grantee exceeding its assigned caseload. The number of individuals served in excess of assigned caseload are not to be included in the calculation of earned administrative funds as described below.

ATTACHMENT A STATEMENT OF WORK

PARTICIPANTS SERVED PER MONTH MAXIMUM REIMBURSEMENT:

During the term of the Statement of Work, Grantee shall earn administrative funds at the rate of \$11.75 for each participant served as defined above.

Grantee agrees that:

- A. Grantee shall identify and document separately not less than 19% of total administrative costs as expenditures directly related to nutrition education and counseling. Nutrition education and counseling expenditures shall be supported by documentation of participant attendance or non-attendance within the DSHS WIC Program.
- B. DSHS will reimburse Grantee for administrative expenses at a rate not greater than 5.26 times the amount of properly documented expenditures for nutrition education and counseling, but not more than is earned based on actual participation not to exceed Grantee's assigned participant caseload, plus any incentive funds allocated to Grantee by DSHS.
- C. DSHS will reimburse Grantee's indirect costs by one of the following: (1) amount calculated in accordance with Grantee's current valid federally negotiated indirect cost rate (IDCR), (2) amount calculated in accordance with Grantee's accepted DSHS Cost Allocation Plan. DSHS will limit (cap) Cost Allocation Plan reimbursement at twenty (20) percent applied to Grantee's total direct salaries plus benefits reimbursed by DSHS, or (3) a Grantee that has never negotiated an IDCR may elect to charge a de minimis rate of 10% of modified total direct costs.
- D. DSHS will identify annually to Grantee an amount of funds that shall be spent for breastfeeding promotion. The allocation of breastfeeding funds to Grantee will be based on Grantee's proportional share of the statewide combined total of pregnant and breastfeeding participants as reported to DSHS WIC Program.
- E. DSHS WIC Program also reserves the right to withhold a proportionate amount of earned administrative funds when evidence exists that nutrition education and/or breastfeeding promotion is not being provided by Grantee, or Grantee is not complying with the provisions of USDA and/or DSHS directives.
- F. DSHS may amend or terminate this Statement of Work if available funds become reduced, depleted, or unavailable during the term of the Statement of Work to the extent that the WIC Program is unable to provide administrative funding at the rate(s) stated in this Statement of Work. DSHS will provide written notification to Grantee of such fact.
- G. DSHS may, at its sole discretion, pay for additional goods or services as specified in this Statement of Work if provided by Local Agency during the term of this Statement of Work (but not otherwise paid during the term of this Statement of Work) if it is in the best interest of DSHS and DSHS WIC Program to do so. If Grantee exceeds the amount

ATTACHMENT A
STATEMENT OF WORK

of earned administrative funds as stated above, Grantee shall continue to bill DSHS for the services provided. If additional funds become available at a later date for the provision of these services, DSHS WIC Program may pay Grantee a share of these funds.

- H. DSHS may provide incentives to Grantee for participants who are provided WIC services outside the normal traditional hours to the extent that federal funding is available.
- I. During the term of this Statement of Work, DSHS may, at its sole discretion, unilaterally adjust the base reimbursement rate as defined in this Statement of Work if it is in the best interest of DSHS and the DSHS WIC Program and if administrative WIC Grant funds change.

Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

GRANTEE WILL COORDINATE ITS DEFENSE WITH THE ENTERPRISE AGENCY AND ITS COUNSEL. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE ENTERPRISE AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING SOLELY FROM THE GROSS NEGLIGENCE OF THE ENTERPRISE AGENCY OR ITS EMPLOYEES. Accordingly, CONTRACTOR agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

CONTRACTOR will request that HHS be named as an additional insured. HHSC reserves the right to consider alternative means for CONTRACTOR to satisfy CONTRACTOR's financial responsibility under this DUA.
