Re: County Road 162 and 164 Road Abandonment

Public Works requests Commissioners Court's approval to abandon County Road 162 and a portion of County Road 164.

The City of McKinney is making improvements to Lake Forest Drive and will be realigning the intersection. On February 16, Public Works received a formal petition from the City to abandon the aforementioned road segments. No County residents will be adversely affected by this action since they all have access along the newly constructed County Road 164.
