Re: Memorial for WWI

The Texas Society Daughters of the American Revolution (TXDAR), is promoting awareness of the anniversary of the Great War(WWI) and sacrifice of our service men and women. It is our goal to honor WWI Collin County veterans.

A local TXDAR Chapter, John F. Greer, wishes to honor WWI by placing a marker at the Collin County Courthouse Complex. This is an ideal location for a commemorative event (only 3 miles away from the historic Fort Buckner) in a beautiful setting with a plaque to be posted January 31, 2018 stating "To Honor all those who served" donated by the National Society Daughters of the American Revolution. The formal open-to-the-public dedication with the 4' (est)stone in place at 11a.m. on November 11,2018, the 100th anniversary of WWI ended.

Pat Thibodeau and I (Brenda Moeller) will be present November 6th at 1:30P to present a rendering of the 4' stone.

If you need further information, contact me at brendalmoeller@gmail.com.
