Re: Indemnification request from Justice of the Peace, Pct. 3-1

I have received and investigated the attached indemnification request for \$1000 regarding acceptance of a fraudulent money order. I have determined no criminal activity or negligence on the part of the elected official in accordance with the Policy for Indemnification of Elected and Appointed Officers. Judge Ruckel changed his internal controls to prevent this from reoccurring. Therefore; I recommend that the Commissioners Court approve the \$1000 indemnification request.
