### MEMORANDUM

DATE: November 16, 2017

TO: Commissioners Court

FROM: James McCrone  
Emergency Management Coordinator

RE: Collin County Fire Marshal Recognition

This Commissioners Court memorandum is to request the opportunity to recognize Collin County Fire Marshal Jason Browning for his recent graduation from the Fire Executive Management Training course at Sam Houston State University on November 10, 2017. Fire Marshal Browning was selected from a highly competitive field of fire executive candidates, to participate in Class #1 for the national, newly minted, professional accreditation for Fire Marshal's, FEMT. His accomplishment reflects great credit upon his profession, Collin County, and himself.

If you have any additional questions about this request, I will follow up expeditiously.

James McCrone  
Collin County Emergency Management Coordinator
