Subj: Precast Concrete Box Culverts

Judge Self:

We have an opportunity to obtain up to 45 10'x10' concrete box culverts, an approximate value of \$1,000,000, for the cost of picking them up and transporting them from Erath County. We would ask for your authorization to utilize our two haul trailers to go pick them up and transport them back here.

If you have any questions or comments please contact me.

Thank you
