Re: FY18 Intel Server/Storage Maintenance Award

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal award for current Intel Server & Storage maintenance to Sirius Computer Solutions, Inc. as the lowest cost vendor. The FY18 renewal is budgeted as part of the non-departmental budget request. The cost of the maintenance agreement is \$78,683.83.

This line item is included as part of the approved and adopted FY18 maintenance budget.
