Re: Approval of Final Alignment for the Collin County Outer Loop Between
U.S. Highway 75 and State Highway 289 (Preston Road)

An Open House and Public Meeting to present a revised alignment for the Collin County Outer Loop between U.S. Highway 75 and State Highway 289 (Preston Road) was held on Monday October 2, 2017. Written and verbal comments were received from citizens in attendance.

Staff and the two consultants, CH2M and Brown & Gay reviewed and considered each comment or concern received. Follow up correspondences were subsequently sent to each landowner and a face to face meeting was held with Mr. Belknap and his representative.

After careful review and consideration, no changes to the revised alignment presented at the Public Meeting are recommended.

As such, the Engineering Department requests Commissioners Court's approval of the attached final alignment for the Collin County Outer Loop between U.S. Highway 75 and State Highway 289 (Preston Road).

We will give a brief presentation summarizing the comments received, including our responses, and will be available to answer any questions you might have.
