Re: Lola Street

The right of way for Lola Street (Shown on the attached map) was dedicated to the County in 1969 as part of the Hollander Addition, but the street was never built. Per the attached letter Rob McIntire, the owner of Lots 1-3 of the Hollander Addition is requesting County permission to build a driveway along the Lola St. right of way to access Lot 1. He understands that the County will not maintain the drive and that anyone abutting the drive will be able to utilize it for access to their property.

Staff is requesting Commissioner's Court approval to allow Rob McIntire, the owner of Lots 1-3 of the Hollander Addition to construct and maintain a private drive in the right of way of Lola Street.
