RE: PRESENTATION OF THE STATE HEALTH SERVICES FIVE STAR AWARD

For the ninth consecutive year the Collin County Clerk and staff has been honored with the Texas State of Health Services' Five Star Award.

This prestigious award recognizes local registrars who understand the importance of properly managing vital statistics records. It honors those who maintain a high standard in the performance of the duties and responsibilities of registering birth and death records, participating in continuing education and consistently providing excellence in customer service.

This is the first time in Collin County's history that the County Clerk has been honored with the Five Star Award for nine consecutive years.
