Mr. J.D. Griffin, CPPB
Buyer II
Collin County Purchasing Department
2300 Bloomdale Rd., Ste 3160
McKinney, TX 75071

J.D.,

Per your instruction we have reviewed the Bid Tab prepared by the County for the Myers Park Hardscape Improvements Project. Upon determination that Complete Landsculpture's bid was considered non-responsive, North Rock Construction became the low bidder at \$122,466.61. North Rock Construction is wrapping up two Hike and Bike trails for us being built in the City of McKinney. The quality of their work has been excellent throughout construction. Submittals were timely and thought out, as with the rest of their communication. Issues in the field were brought to our attention only after they had taken the time to also come up with a solution for discussion.

Given all the above, I recommend the job be awarded to North Rock Construction.

Thanks,
