405 N. Washington  
Farmersville, Texas 75442  
972-782-7435

Jon Klienheksel,

My name is Toby Caviness and I am the Police Chief for Farmersville Independent School District. I was in contact with Dayne Shepherd about supporting our department with a retired light bar, rear deck light, and 2 laptop mounts. He said I would need to request these items through you. This equipment is to be used on a Crown Victoria at our department.

Your consideration and approval in this matter would be greatly appreciated.

Sincerely,

Toby Caviness  
Chief of Police
