From: Jon Kleinheksel   
Re: CR465 Visibility Issue

Public Works requests Commissioners Court's consideration and approval to trim brush and tree limbs on private property on 4537 County Road 465.

The property owner was contacted by Public Works and has consented to allowing PW crews on his property for the purpose of clearing the obstruction to restore line of sight visibility for approaching traffic.

Should you require additional information, please contact me and I will respond accordingly.
