Subject: Bullet Resistant Sheriff's Lobby Project

Request Commissioners' Court consideration and approval to award: Modifications to Sheriff's Office Lobby – Bid No. 2018-068 to the best evaluated and lowest responsive offer, I.S. Construction Group in the amount of \$244,020.00. This amount includes the base bid plus alternate one. This is a FY17 approved Permanent Improvement Project. A budget adjustment in the amount of \$80,000.00 will be needed to increase the budget and allow for contingency and steel inspections.

The base bid includes level seven bullet resistant materials which will protect against most handguns, rifles, and automatic weapons. If so directed, we could reduce the bullet resistance level to level three which protects against most handguns. This would allow us to reduce the cost of the project.

Let me know if you have any questions.

Thank you,
