**Re:** Tyler Munis Contract Amendment and Modification

The Collin County Information Technology department, the ERP Munis Steering Committee, and the ERP Munis Project Team representing Budget, Auditing, and Purchasing departments are requesting an amendment to the Tyler Munis ERP contract. This amendment adds the conversion of Project Ledger History (Actuals and Budget) to retain full detail history back to 1996.

This conversion will not impact the May 1<sup>st</sup> target GO-LIVE implementation of Munis.
