RE: Termination of Interlocal Cooperation Agreement—Return of MMU Assets

Attached for approval is the documentation of the return of the Mobile Medical Unit (MMU) Assets. The MMU was accepted by the county in 2008 from the North Central Texas Trauma Regional Advisory Council (NCTTRAC). Jim McCrone, Collin County Emergency Manager, initiated the transfer of the MMU back to the NCTTRAC earlier this year, and the Texas Department of State Health Services (DSHS) has approved the transfer. This will formally terminate our responsibility for this equipment.
