McKinney, TX 75071

George,

In reference to Schneider Electric's catalog number: QWINSTALL-QMRO13221-00, I submit the following quotation for the installation, assembly and start-up of both UPS's according to the following Statement of Work:

Statement of Work:

1. Place fire alarm and shunt trip on test
 2. Turn off Emergency distribution panel and upstream breaker
 3. Install shunt trips in existing GE breakers
 4. Connect 225A output breakers to existing wiring
 5. Remove existing UPSs
 6. Install new UPSs
 7. Connect 225A breakers to new UPSs and turn on distribution panel
 8. Assemble and startup both UPSs
 9. Test shunt trip
 10. Connect all output power
 11. Place fire alarm and shunt trip on normal
- Expected completion one day

Our price for this installation service is **\$75,397.00** .

If you have any questions, require any additional information or if I can be of any service, please feel free to contact me anytime.
