Re: Authorization to Advertise for Bids to Construct South Bound Service Road
for the Dallas North Tollway (DNT) Phase 4 from U.S. Highway 380 North to F.M.
Highway No. 428 (See Location Map Attached)

The Engineering Department requests Commissioners' Courts authorization to advertise for construction of the south bound service road for the Dallas North Tollway (DNT) Phase 4 from U.S. Highway 380 north to F.M. Highway 428 (Approximately 6 miles).

Our engineer estimates that construction will take 24 months to complete at an approximate cost of \$19,000,000.

If approved, we anticipate that a contract will be awarded in June; construction would begin in August with estimated completion in late summer 2020.

We will be available to answer any questions you might have regarding this matter.
