Re: Request to abandon a portion of County Road 953 in Snavelly Acres

Public Works recently received a road abandonment request for a small section of CR953 in the Snavelly Acres subdivision. The section of road is an unpaved and untraveled area just south of CR951. The requestor, Jimmy Copp, owns the land adjacent to this area and seeks to purchase the land. Mr. Copp has agreed to pay the appraised value of \$1000 and any associated fees.

Because of the circumstances involved, Public Works concurs with this request. Should you require additional information, please contact me and I will respond accordingly.
