DATE: May 4, 2018  
TO: Collin County Commissioners Court  
FROM: Sheriff Jim Skinner *JOS*  
RE: City of Frisco ILA

Attached you will find the ILA with the City of Frisco concerning use of their water tower for our Public Safety Antennas and Microwaves. Frisco is not a primary user of the Collin County public safety radio system; however they did offer space on their one of their radio towers that satisfies the counties coverage needs in their city. The approval of Court is requested for this ILA.
