Jim Skinner, Sheriff

MEMORANDUM

DATE: May 4, 2018
TO: Collin County Commissioners Court
FROM: Sheriff Jim Skinner JS
RE: North Central Texas Council of Government ILA / Farmersville Tower

Attached you will find the ILA with the North Central Texas Council of Government (NCTCOG) concerning use of our Farmersville Tower for the E-911 Alternate Network Microwave System. Our Farmersville tower will provide a microwave hop in the northeast ring of the network. NCTCOG is improving their network for the E-911 services by adding a layer of redundancy to their existing network, ensuring connectivity to all PSAPs should the fiber network become damaged.

This ILA is related to the ILA signed by Commissioners Court on March 7, 2016; allowing NCTCOG to place a monopole with microwaves behind the Sheriff's Office.
