4.0 EVALUATION CRITERIA AND FACTORS

4.1 The award of the contract shall be made to the responsible offeror, whose proposal is determined to be the best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other factors set forth in the Request for Proposals in accordance with Vernon's Texas Code Annotated, Local Government 262.030.

The Evaluation Committee will review all proposals received by the Opening date and time as part of a documented evaluation process. For each decision point in the process, the County will evaluate offerors according to specific criteria and will elevate a certain number of offeror to compete against each other. The proposals will be evaluated on the following criteria.

The County will use a competitive process based upon "selection levels." The County recognizes that if an offeror fails to meet expectations during any part of the process, it reserves the right to proceed with the remaining offerors or to elevate an offeror that was not elevated before. The selection levels are described in the following sections.

The first part of the elevation process is to validate the completeness of the proposal and ensure that all the RFP guidelines and submittal requirements are met. Offerors may, at the discretion of the County, be contacted to submit clarifications or additional information within two (2) business days.

LEVEL 1 – CONFORMANCE WITH MANDATORY REQUIREMENTS

Criteria assessed during Level 1:

- Conformance with RFP guidelines and submittal requirements.

LEVEL 2 – DETAILED PROPOSAL ASSESSMENT

The Evaluation Committee will conduct a detailed assessment of all proposals elevated to this Level. Criteria evaluated in Level 2:

Points	Evaluation Criteria
25	Firm Overview: Offeror's qualifications, including licenses and certifications, and documented experience and accomplishments in providing similar services. Section (5.18.16, 6.2)
25	General Requirements: The thoroughness of the proposal and the extent to which the content of the proposal addresses the required services, as detailed in this RFP. Section (5.18 - 5.19, 6.3)

10	Client References: Offeror's past performance in providing similar services Section (6.4)
40	Cost for services: Total Cost will be calculated by using: Screen and confirmation costs per Attachment A Section (5.20, 6.5)
100	Total Points

It is anticipated that the Evaluation Committee will elevate proposals scoring at least 70 points (70%) to Level 3.

LEVEL 3 – DEMONSTRATION, SITE VISITS, AND INTERVIEWS (OPTIONAL)

The Evaluation Committee may hear oral presentations (if desired). Offerors are cautioned, however, that oral presentations are at the sole discretion of the committee and the committee is not obligated to request a demonstration or interview. The oral presentation is an opportunity for the Evaluation Committee to ask questions and seek clarification of the proposal submitted. The presentation is not meant as an opportunity for the offeror to simply provide generic background information about the corporation or its experience. Thus, the time will be structured with a minimum time for the offeror to present and the majority of time dedicated to addressing questions from the Evaluation Committee. The oral presentations, if held, will be scheduled accordingly and all presenting offerors will be notified of time and date. The County reserves the right to bypass Level 3 in the evaluation process and move directly to Level 4.

The following criteria is optional and will be used to evaluate those offerors elevated.

Points	Evaluation Criteria
40	Demonstration/Interview
20	Response to clarification questions
40	Offeror provided website and reporting
100	Total Points

Proposals may be re-evaluated based upon Criteria in level 2.

LEVEL 4 –BEST AND FINAL OFFER

Offerors who are susceptible of receiving award may be elevated to Level 4 for Best and Final Offer. Offeror will be asked to respond in writing to issues and questions raised by the County as well as any other cost and implementation planning considerations in the proposal, and may be invited to present their responses on-site. Proposals may be re-evaluated based upon Criteria in level 2, and /or 3.

Based on the result of the Best and Final Offer evaluation, a single offeror will be identified as the finalist for contract negotiations. If a contract cannot be reached after a period of time deemed reasonable by the County, it reserves the right to contact any of the other offerors that have submitted bids and enter into negotiations with them.

5.0 SPECIAL CONDITIONS AND SCOPE OF SERVICES

- 5.1 Authorization: Sealed proposals will be received for services: Urinalysis Testing for Juvenile Probation.
- 5.2 Intent of Request for Proposal: Collin County’s intent of this Request for Proposal (RFP) and resulting contract is to provide offerors with sufficient information to prepare an RFP response for the testing of urine specimens for the presence of detectable drugs.

- 5.4 Background: The current provider is Treatment Assessment Screening Center. Juvenile Probation will collect the specimens and store for pickup.
- 5.5 Confidentiality: All completed and submitted proposals become the property of Collin County. Collin County may use the proposal for any purpose it deems appropriate. Prior to Collin County approval, the proposal material is considered as “draft” and is not subject to the Texas “Public Information Act”, Texas Government Code Chapter 552. After approval by Collin County, the proposal material becomes part of the contract between the vendor and Collin County. Upon signing of a contract, proposals and contracts are subject to the State of Texas “Public Information Act”. If any information is to be considered proprietary, the Vendor must place it in a separate envelope and mark it “Proprietary Information”. The State of Texas Attorney General retains the final authority as to the extent of material that is considered proprietary or confidential.
- 5.6 Binding Effect: This resulting agreement shall be interpreted and enforced under the laws and jurisdiction of the State of Texas. Collin County’s RFP, the offeror’s proposal in response to the RFP and any additional negotiated conditions reduced to writing will become part of the final contract between the successful offeror and Collin County. This agreement then constitutes the entire understanding between the parties and is not subject to amendment unless agreed upon in writing by both parties hereto. By mutual agreement, the parties may, from time to time, promulgate scope of service documents to define the scope of services. Such scope of service

documents will be incorporated into the contract agreement. Offeror acknowledges and agrees that it will perform its obligations hereunder in compliance with all applicable state, local or federal law, rules, regulations, and orders.

- 5.7 Transitional Period: Upon normal completion of this contract, not to include termination for default, and in the event that no new contract has been awarded by the original expiration date of the existing contract including any extension thereof, it shall be incumbent upon the Vendor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than ninety (90) days beyond the original expiration date of the existing contract and any extension thereof.
- 5.8 Permits, Taxes, and Licenses: The Offeror is responsible for all necessary permits, licenses, fees, and taxes required to carry out the provisions of the RFP. The financial burden for such expenses rests entirely with the company providing the service under the contract.
- 5.9 Price Reduction: If during the life of the contract, the offeror's net prices to its customers for the same product(s) and/or services shall be reduced below the contracted price, it is understood and agreed that the County shall receive such price reduction.
- 5.10 Price Redetermination: A price redetermination may be considered by Collin County only at the twelve (12) month, twenty-four (24) month, and thirty-six (36) month anniversary date of the contract. All requests for price redetermination shall be in written form, shall be submitted a minimum of thirty (120) days prior to anniversary date and shall include documents supporting price redetermination such as Manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A., Insurance Coverage Rates, etc. The offeror's past experience of honoring contracts at the contract price will be an important consideration in the evaluation of the lowest and best offer. Collin County reserves the right to accept or reject any/all of the price redetermination as it deems to be in the best interest of the County.
- 5.11 Funding: Funds for payment have been provided through the Collin County budget approved by the Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the County from any obligation of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Collin County fiscal year shall be subject to budget approval.
- 5.12 Samples/Demos: When requested, samples/demos shall be furnished free of expense to Collin County.
- 5.13 Transitional Period: Upon normal completion of this contract, not to include termination for default, and in the event that no new contract has been awarded by the original expiration date of the existing contract including any extension thereof, it shall be incumbent upon the Vendor to continue the contract under the same terms and conditions until a new contract can be completely operational.
