Re: Authorization to Award a Contract for construction of the Westerly South Bound Frontage Road for the Dallas North Tollway from U.S. Highway 380 North to F.M. highway 428
(Location Map Attached)

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$16,757,940.01 to Mario Sinacola and Sons Excavating, Inc. for construction of the westerly, south bound frontage road for the Dallas North Tollway from U.S. Highway 380 north to F.M. Highway 428. Mario Sinacola is the lowest qualified bidder based on our engineer's evaluation of the bids and contractor qualifications.

It is anticipated that construction will begin in August with substantial completion by August 2020.

We will be available to answer any questions you might have.
