RE: Dallas North Tollway Southbound Frontage Road – Bid Opening

Dear Mr. Durham:

Bids were taken for the referenced project on Thursday, May 31, 2018. The bid tabulation is attached to this letter for reference.

Based on the bid information provided, Halff has confirmed that Mario Sinacola and Sons Excavating, Inc. is the low bidder.

Mario Sinacola has previously constructed Halff designed projects of similar scope and size and, to the best of our knowledge, they were able to complete the work for these projects in accordance with the plans and specifications. Based on a review of the bid pricing submitted, there does not appear to be any unbalanced unit pricing.

Based on the information available to us and contingent upon the Contractor's ability to secure the necessary bonds, Halff Associates recommends award of the project in the amount of \$16,757,940.01 (assuming that the full-width bridge is constructed) to Mario Sinacola and Sons Excavating, Inc.

Should you have any questions or require any additional information, do not hesitate to contact me.

Sincerely,

HALFF ASSOCIATES, INC.
