Chief,

Thank you for providing information on your preferred vendor for acquiring a validated risk and needs assessment tool. Your department is approved for up to **\$28,861.00** in deployment costs for the tool of your choosing. Please ensure all applicable procurement requirements are observed.

In addition, TJJD will pay for training expenses for your staff, not to exceed **\$22,000.00**. Please note that multiple departments may deploy the same tool and TJJD will negotiate directly with the vendor(s) to lower training costs. The difference will be retained by TJJD.

This notification and your acceptance of the funds suffices under your grant contract to begin this project, so there will be no need to execute an amendment to your contract. Over the next few days, you should see an email from our grants division regarding how these funds will come to your department.

If you have any questions, please contact me at 512-917-0985

Thank You

Lou Serrano
Deputy Executive Director for Probation Services
