Re: CR 1220 Visibility Issue

Public Works requests Commissioners Court's consideration and approval to trim and remove brush and tree limbs on private property on the inside of a corner on CR 1220.

PW staff was notified of a potential safety hazard at this curve/corner where shrubbery growth now partially obscures visibility for motorists. The property owner was contacted by Public Works and has consented to allowing PW crews on the property for the purpose of clearing the obstruction to restore line of sight visibility for approaching traffic.

Should you require additional information, please contact me and I will respond accordingly.
