**Subject:** Diversion Application 18-D0303

Good Afternoon,

We staffed 18-D0303 (R.A.) for diversion this morning and he was **approved** for diversion at Pegasus for 365 days at the \$162.30 daily rate.

Please contact me immediately after his court hearing because Ashley Kintzer will be sending you some documents that will require your immediate attention. One of those documents will be the verification form, please return that form to myself and copy Ashley as soon as R.A. is placed. Once in placement I will need a copy of his initial treatment plan and subsequent monthly progress throughout his placement stay.

Please contact me if you need anything. Thank you!
