Bill -

On Tuesday, I received the email (below) seeking a third update to the contract Collin County has with the state for DSRIP. After reviewing and comparing the contracts, it appears that this contract's effective date reverts back to the original date of the contract instead of October 1, 2018, which was approved by court back in May.

Could you please place this contract update on the court agenda? In addition, can you provide an estimated time for which the court could approve this so that I may notify Caston as to a submission date? He is requesting July 11, but I doubt most RHPs can meet that deadline.

I updated our language in the attached contract, so the only item needed is the judge's signature.

Thank you, Leigh
