**Subject:** usTLD LOCALITY IMPORTANT NOTICE | Re-Delegation of co.collin.tx.us to Neustar

Dear Collin County:

### **IMPORTANT NOTICE – PLEASE READ THE FOLLOWING CAREFULLY**

**DOMAIN NAME:** [co.collin.tx.us](http://co.collin.tx.us)

We are writing to inform you that your current Delegated Manager for the above listed usTLD Locality domain name, Texas Regional Hostmaster, has previously sent his request for termination as a usTLD Delegated Manager and for Neustar to manage your domain name going forward. We are happy to provide you this service as we are the Administrator for the full .US namespace.

In order to proceed with ongoing management, Neustar must perform a re-delegation of the usTLD Locality domain(s). The re-delegation has taken place on **July 16, 2018**. As of that date, your domain(s) are now under the management of Neustar.

There are several steps that must be completed to finish the re-delegation and domain name management process:

1. usTLD Locality Registrant Agreement: A new usTLD Locality Registration Agreement will need to be signed. Please contact us, using the details below, to send us the **name and email address of an authorized representative** that will be able to sign the agreement using our eSignature platform.

***Please note: If a new usTLD Locality Registrant Agreement is not signed by August 31, 2018, your usTLD Locality domain(s) may be in jeopardy of cancellation and/or deletion.***

2. Domain Name Management: Once a new usTLD Locality Registrant Agreement is signed, you will be able to contact us to update and/or manage your Locality domain name(s) as desired including nameserver and/or contact management.

Please contact .US Registry Customer Support at [dotus@support.neustar](mailto:dotus@support.neustar). Our Support team will be happy to answer any questions, provide documentation and assist you in the re-delegation process.

***To reiterate, if a new usTLD Locality Registrant Agreement has not been signed by August 31, 2018, your usTLD Locality domain(s) may be in jeopardy of cancellation and/or deletion.***

We thank you for your business as a usTLD Locality customer. Should you have any questions regarding this communication, please contact us at [dotus@support.neustar](mailto:dotus@support.neustar).

Kind regards,

*Crystal Peterson*
