**Re:** Collin .US Locality Domain Name Registration

---

The Collin County Information Technology department requests approval to renew the .US Locality Domain Name Registration agreement. Neustar, Inc. is the new vendor that is managing the federally assigned domain names and requires the County to sign a new agreement. This will be for the co.collin.tx.us domain name.

Vendor is requesting the agreement be filled out and signed electronically and needs to be completed by August 31, 2018.
