Re: Adjustment to FY18 County Court at Law Shared Budget

Dear Commissioners:

As of August 28, 2018, the County Courts Shared Interpreter Account has a negative balance of \$1,316.75. After contacting all the County Courts at Law, it has been determined that \$9100.00 is needed to fund the account through September 30, 2018. I respectfully request that the sum of \$9100.00 be transferred from the Visiting Judge Shared Account (0001-20000-0009-44-30-0000-626416) to the Interpreter Shared Account (0001-20000-0009-44-30-0000-626412).

If you need any additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Corinne Mason".
