Subject: Diversion Application Approval - 18-D0412

Good morning Chief,

Today we reviewed your diversion application for youth CL. He was approved for diversion, with placement at CSI - Rockdale for 9 months, at the \$162.30 daily rate. I have attached our signature page giving this approval.

I have include three forms with this signature page:

- Diversion Placement Verification, TJJJ-REG-020 – submit this form after the youth is placed; it will allow TJJJ to encumber all funds for this youth;
- Amended Diversion Verification, TJJJ-REG-020a – submit this form if a youth's daily rate changes or if additional funding is needed; and Data Entry
- Diversionary Placement Form – gives step-by-step directions on how to input data for a diverted youth.

Please send me the verification form on the day the youth is placed at the approved facility.

Once the youth is in placement, please send **Ryan Bristow** the initial progress review and subsequent monthly progress reviews during the entire placement.

If you have any questions or concerns, please do not hesitate in contacting me or Ryan. Thank you very much for all of your help with this process.
