**Re:** FY19 Maintenance Contract Renewal Authorization

---

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with Tyler Technologies for Odyssey Case and Jail Management Maintenance. This renewal, billed separately by the vendor, is the base agreement for the core modules. The FY19 renewal will be budgeted as part of the non-departmental budget request. The estimated cost of the maintenance agreement is \$518,458.14.

This line item will be included as part of the regular FY19 maintenance request.
