Re: CR 164 Road Abandonment

Public Works requests Commissioners Court's approval to abandon a portion of County Road 164.

The City of McKinney will be realigning a portion of County Road 164 to connect to the new Bloomdale Road extension. On April 24, Public Works received a formal petition from the City of McKinney to abandon the aforementioned road segment. The City will not remove the existing surface until the new road has been completed. No County residents will be adversely affected by this action since they all have access along the newly constructed Bloomdale Road.
