RE: Adoption of New Voting System

On January 28, 2019, Commissioner's Court approved purchase of the ExpressVote Universal Voting System. Before a voting system may be used in elections, Commissioners Court, "by resolution, order, or other official action of the authority, must adopt the system for use in the elections." (Section 123.001, Texas Election Code)

Elections Department requests Commissioner's Court adopt by resolution the ExpressVote Universal Voting System for use in elections.
