Re: Lynda Lane Road Abandonment

Public Works requests Commissioners Court's approval to abandon a portion of Lynda Lane.

North Texas Municipal Water District will be realigning a portion of Lynda Lane to connect to Forrest Ross Road. On March 28, Public Works received a formal petition NTMWD to abandon the aforementioned road segment. NTMWD will not remove the existing surface until the new road has been completed. No County residents will be adversely affected by this action since they all have access along the newly constructed Lynda Lane.
