

# Training for the new ExpressVote voting system is coming soon!

Training Labs for Judges and Alternate Judges only will be offered for 6 consecutive days, beginning the week of Sept. 30<sup>th</sup>. There will be up to four Lab sessions offered each day, so you will have plenty of time to view, touch and experience the new ExpressVote system!

Labs will begin in the Elections Training Room at designated intervals (listed below), with greetings and overview information from our Elections Administrator, Bruce Sherbet. We will also view several specially produced videos that highlight parts of the daily processes that Judges and Alternate Judges are responsible for – i.e., opening and closing polls, curbside voting, provisional voting, etc. Participants will then move to the Voting Room for hands-on training from several of our own Election Judges who have

already received training and are eager to help you be successful! Because the Labs are truly the best opportunity to have hands-on experience with the new system, we are asking that you sign up for a specific date and time. This will help us ensure that Lab sizes are not too large. Please note the dates and times of Labs below and call or email Cheryl Gorena (972-547-1902, [cgorena@collincountytx.gov](mailto:cgorena@collincountytx.gov)) or Sheri Nilson (972-547-1909, [snilson@collincountytx.gov](mailto:snilson@collincountytx.gov)) to reserve your spot.
