RE: Contract for Fire Protection in Unincorporated Collin County – City of Lavon

Honorable Court,

I respectfully request the Court to consider and approve the contract for providing fire protection in the unincorporated fire district of Collin County. The funding for the contract has been approved in the FY2020 budget. This contract is with the individual Fire Department that has unincorporated areas within their fire district and will take the place of the annual subsidy the county has been providing to the Firefighters Association in years past.
