Date: September 25, 2019

To: Commissioners' Court

From: Cynthia Jacobson, Director of Human Resources

Re: FY 2020 Position Changes

Human Resources is seeking consideration and approval by Commissions' Court to make a correction to the FY2020 Approved Positions to change the title and grade of one of the System Analyst Programmer positions (pay grade 515) to a Senior System Analyst Programmer position (pay grade 516). There is no budgetary impact to this change. The approved budget includes the correct salary amount for this position.

Please let me know if you require any additional information at this time.
