October 29, 2019

JMR FARMS LTD
617 COUNTY ROAD 610
FARMERSVILLE, TX 75442-5232

Dear Collin County Property Owner:

The Collin County Rural Addressing Office is proposing to change the following road name in your area, for consistent 9-1-1 addressing with the City of Farmersville.

This effort, in coordination with the City of Farmersville, the Farmersville Fire Department, the Collin County Sheriffs Office, and the Farmersville Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

The Rural Addressing Office will make this request on the Collin County Commissioners Court agenda for November 11, 2019. The scheduled court date is subject to change – for the latest agenda notice, go online to <https://www.collincountytx.gov/government/Pages/agenda.aspx>.

Do NOT begin making any changes now.

Upon approval of changes by the Commissioners Court, a letter will be sent to you confirming the following change on W B Williams Survey, Abstract 952, Sheet 2, Tract 36:

from: W AUDIE MURPHY PKWY / FARMERSVILLE PKWY

to: **W AUDIE MURPHY PKWY / S COLLIN PKWY
FARMERSVILLE, TX 75442**

After approval the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office will also be notified of the change in the 9-1-1 database. Mail to the old address will continue to be delivered for one year.

This address correction will be effective immediately after the Commissioners Court approval – you will receive a letter that week confirming the address change approval.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions concerning this address, please call the GIS / 9-1-1 Rural Addressing office.

Sincerely,

Ramona Luster
9-1-1 Rural Address Coordinator, Collin County
