Re: Engineering Services Agreement with BGE for Design of the Collin County Outer Loop Service Road from F.M. Highway 2478 (Custer Road) East to U.S. Highway 75 (Location Map Attached); RI18OL002

The Engineering Department requests Commissioners Courts authorization to enter into an Engineering Services Agreement with BGE for design of the Collin County Outer Loop Service Road from F.M. Highway 2478 east to U.S. Highway 75.

The preliminary estimated construction cost for this 9 mile section is approximately \$45,000,000 and BGE's proposed fee is \$2,219,032.22. Of which, \$225,617 is for incremental services that will only be invoiced if those services are required

If accepted, then we propose to budget an additional amount over this contract amount to be proactive should additional design expense arise. Approval of the following budget amendment (within the project code) is requested:

FROM: RI18OL002

\$2,915,295 4215 750300013 809682

TO: RI18OL002

\$2,915,295 4215 750300013 809250

BGE proposed scope and fee is attached and we will be available to answer any questions you might have regarding this project.
