Good Morning Roby,

I'm attaching a draft of an MOU between Collin County and McAfee. This is our standard closed POD MOU, and has already been approved by our legal department. Please let me know if everything looks good on your end, and also who will be signing the document. Once I hear back from you, I'll forward a final MOU for signatures.

Thank you,

Amy Davis

Unfortunately, McAfee LLC will not support this. I and my team have pushed this, but as a corp there is no appetite.

Roby,

I wanted to touch base with you in regard to the status of the closed POD Memorandum of Understanding (MOU) between Collin County and McAfee. Once the MOU has been approved and signed, we can move forward with the closed POD plan and training. A plan was created when the company was Intel. If you do not have a copy of this plan, I would be more than happy to forward a copy for your review. Please let me know the status of the MOU at your earliest convenience.

We look forward to working with you soon.

Thank you,
